

Store page:

- The text doesn't run into the bullet points in the description at the moment. I'd suggest some sort of opening sentence to the bullets, such as "The unit is" or "The product benefits include" or something similar though the bullet point text may subsequently need minor amendments to ensure the whole section continues to flow.
- The final sentence currently contains the old tagline and needs updating.

About Us:

- Final sentence: "optimize" should be spelt with -ise.

Returns & Refunds policy:

- Section 1, Point 3: You may want to make "notify us" into a hyperlink to the contact form page.

Terms of Service:

- Section 5: Should this should have "(if applicable)" after the title in light of the product that is being sold?

Privacy policy:

- Mailing address at the end is currently in double-line spacing.

FAQ:

- Spacing is wider between sections 1 and 2 on the contents list compared to the rest of the list.
- 3.3: Suggest changing this to "up to 6 weeks" in line with the rest of the website, rather than 4-6 weeks.
- 3.4: Title will need amending to remove the "4-"
